**HOLD THE DATE!**  
**2008 ASHE Region 7 – Spring Technical Conference**  
**March 20, 2008**  
**Omni Hotel, Charlottesville, Virginia**

Dear ASHE members and friends:

Plans are well underway for the second annual technical conference for Region 7 of the American Society of Highway Engineers. This year's conference will be held **Thursday March 20, 2008** at the Omni Hotel in Charlottesville, Virginia.

A terrific agenda is being planned to include such topics as: context-sensitive design, access management, bike & pedestrian programs, tire/highway-surface research, "green" design, and microscopic traffic simulation models (VISSIM) as well as project-specific presentations from both Virginia and Maryland.

Due to space limitations at the hotel, this conference is sure to be a sell-out, so please put the date on your calendar now and watch for registration information to be distributed in mid-January. If you have any questions or need special accommodations, please contact John Stuart at 804-935-7162 or [jstuart@hwlochner.com](mailto:jstuart@hwlochner.com).

**CONFERENCE SPONSORSHIPS AVAILABLE!!!**

Please show your support for ASHE and help us keep the cost of these professional development activities reasonable. **Conference sponsorships will be available for the low price of \$50.00.** This does not include registration; however, in return for your generous contribution, your company will be listed in the conference agenda, on boards displayed throughout the day, and recognized during lunch. If you are interested in being a conference sponsor, please contact Susan With Warren at 804-594-2623 ext. 19 or [Susan.Wth@CH2M.com](mailto:Susan.Wth@CH2M.com).
