I-295 Flyover
Presented by Ray Johnston, P.E.,
Mega Project Manager
Thursday April 9, 2009

The Short Pump area in western Henrico County is breathing a sigh of traffic relief with the opening of the I-295 flyover ramp. The flyover is a major portion of this project that includes adding lanes to I-64, MSE walls and noise barriers. ASHE is delighted to have the Project Manager, Ray Johnston, P.E., speak to our group and focus on the construction aspects. Some of the highlights include:

Working at night and Detours of the Interstate on to Broad St.
Erection of the Straddle Bents.
MSE Wall construction and associated settlement.
Working on Pouncey Tract Road and Bridge.
Opening of the Flyover Bridge to Traffic.
Repair of Straddle Bent 4 Splice.
Maintaining the "Spirit of Partnering" on a 60 million dollar project.
What work is left to finish project.

You may preview the project at the VDOT site:
<http://www.i295flyover.com/>

Ray graduated with a BS in Civil Engineering from VMI in 1983 and has been a Professional Engineer since 1989. He has worked in private industry for 21 years and worked at VDOT for 5 years. His qualifications include working on Bridge Construction projects from Project Inspector to Project Manager. Other local projects that have received his expertise include:

Lee Bridge
Westcreek Parkway
Smart Bridge
895 Segmental Bridges
Acca Yard Bridge

SECURITY: NEW INSTRUCTIONS

All visitors must report to the security desk on the ground floor of the VDOT Highway Annex building, 1401 East Broad Street, for entry. You will then have unrestricted access to the auditorium in the Main Highway Building.

PARKING:

Parking is available at the metered spaces along the city streets or at the pay lots in the area. State provided parking is available for a few vehicles. Carpoolers have priority. To register for the state provided parking visit our web site at www.asherichmond.org (ends 04/02/09) and go to the "Next Meeting" link. **You will receive a conformation email with further parking instructions.**
